TIVOLI

The Tivoli Banquette is cleverly designed to incorporate both a straight and slanted posture, with the bench resting on a welded steel frame. With the slanted posture in curved or straight units, it offers the option to add a bar height shelf for a unique seating arrangement behind, as well as in front of the unit.

GENERAL SPECIFICATIONS

Design

The Tivoli is available with or without privacy panel. Available in two postures:

1. Slanted (the back slightly angled).
2. Straight (the back and seat in a straight posture).

For your custom seating needs, contact our Customer Service department.

Upholstery / Foam

Seat and back are covered in choice of fabric, vinyl, crypton, leather or COM. ERG uses only water based glues and adhesives in our upholstery process. All foam is fully bonded to frame. Seat cushions are 3" graded high resiliency (H.R.) block foam with 2" (H.R.) foam back, covered entirely with special bonded polyester fiber to protect final upholstery.

Frame Construction

Frame assembly is constructed of multi-ply hardwood, with tongue and groove construction. No sag-springs are installed in seat & back along with interlocking helicoil springs to prevent sagging and provide additional lower back and seat support.

Base Details

Angled Leg: 1.5" diameter mandrel formed steel, for a unique style and durability.

Straight Leg: 1.5" diameter mandrel formed steel, for a unique style and durability.
