

WESTLAKE METAL

"L" configuration with three-seat and two-seat units featuring online corner and end tables, paired with occasional table

## WESTLAKE METAL

ERG International offers a stylish and durable solution for waiting area seating. Designed with a full clean out, Westlake is easy to clean and care for. The wall saver legs are curved back for a classic look and functional design.

solid surface tops

Westlake Metal offers stylish upholstered guest seating with a fully welded steel frame. Built-in wall saver design features a slim back profile allowing for ease of fit in tighter areas. Seat and back are made with large expandable webbing sheet that is fully wrapped in 2" high resiliency block foam and top is covered in special bonded polyester Dacron fiber to protect the final upholstery.
