all occasional tables offer a choice of metal or wood apron

WESTLAKE WOOD

Westlake Wood offers stylish upholstered guest seating and is an environmentally preferred product. Built-in wall saver design features a slim back profile allowing for ease of fit in tighter areas. The solid Beech wood frame is reinforced with welded steel frame seating supports. Seat and back are made with large expandable webbing sheet that is fully wrapped in 2" high resiliency block foam and top is covered in special bonded polyester Dacron fiber to protect the final upholstery. Available in single and multiple seating configurations, benches, add-on units and occasional tables.
